Test Information

Entry Opening and Closing Dates: Entries open for NCA members on August 10, 2021 and open for everyone on August 20, 2021. Entries of NCA members received after August 20th will not be given priority over those of non-NCA members. Entries postmarked prior to August 11th for NCA members and prior to August 20th for non-NCA member will not be accepted. Entries accepted by mail and must show a visible postmark. If you send entries via next day mail, please sign the “Waiver of Signature” space.

Closing date for entries is September 11, 2021 at 11:59 PM.

ONLINE ENTRY IS AVAILABLE at

<https://www.ncanewfs.org/wdc/>

Entry Limits: Entries for each day are limited to a total of 25 entries regardless of division entered and regardless of how many entries are received for each division. The first 25 entries that arrive or are pulled in a lottery will get into the test regardless of their division. Entries over the limit will be placed on an alternate list. Openings will be filled from the alternate lists in the order received. If entries exceed the entry limit; a lottery will be conducted for each day. There will be a minimum of 1 entry for each division in order to hold the test.

Re-qualifiers: Re-qualifiers will be accepted as space allows; untitled dogs will be given first priority even if their entry is received after that of a titled dog. Re-qualifiers in Junior Division MAY NOT post-enter Senior Division. However, new titlists in Junior Division MAY post-enter Senior Division. Dogs may be entered in more than one division on the same day, but only if they have already qualified at previous tests in all of the divisions entered. If the entry for the test exceeds its limit and a lottery is necessary, the dog may not get into each division entered. There will be no substitutions for dogs to change divisions if their entry is chosen for one division but not the other in a lottery. Judges must excuse any dog not in condition to finish the division entered and, if so, the dog will not be able to continue in any other division entered that day. Entry fees will not be refunded for dogs that are excused. Entrants are discouraged from pushing their dogs beyond their limits.

Entry Fee: First entry \$45 per entry, \$35 for additional entries and post-entries of the same dog on the same day. Please make checks payable to the Newfoundland Club of Southern California or NCSC.

Required Forms: Entries must be made on an official NCA entry form, and a copy of the entered dog’s AKC, ILP/PAL, or foreign registration paper must be attached.

Water Test Regulations: These tests are conducted in accordance with the NCA Water Test Regulations effective March 2018. Description of the Test Site: Castaic Lake is a freshwater, manmade lake. The shoreline is mostly sandy, though there may be patches of cement and rocks. Swimming depth is expected to be within 15-20 feet of shore, and may be more gradual in some areas and quicker in others. There is a large grassy area surrounding the lake with trees for shade, but exhibitors are encouraged to bring their own shade as temperatures can be very high. The test site is occasionally windy in the afternoon. Foxtails and burrs have been prevalent this season; please check your dog carefully. Entrants are reminded that they enter at their own risk.

Schedule: Friday September 24th: Exhibitors may practice at the test site between 12:00 – 5:00pm. **Saturday, September 25th:** Check in time with test secretary is from 8:00 – 8:30am, with equipment check for WRDX division at 8:45am, and the test will begin with the WRDX division at 9:00am. **Sunday September 26th:** Check in time with the test secretary is from 8:00 – 8:30am, with equipment check for the WD division at 8:45am, and the test will begin with WD division at 9:00am. There will be a large raffle on Saturday.

Bitches in Season: Bitches in Season will be allowed to participate, but will be judged after all other entries have completed the entire test.
